However, Participant acknowledges that representatives of the University may not be present or may not elect or be able or competent to administer or seek such aid, services, or transportation.

Participant agrees that Participant will immediately inform an official of the Corinthian Yacht Club of Philadelphia and the University’s Sailing Club coach of any health and safety concerns with the Corinthian Yacht Club of Philadelphia facilities. The above statement of release also covers the use of any quote and/or testimonial given by Participant during or about the Activity.

In the event Participant chooses to participate in any independent travel or extracurricular activities before, during or after the Activity, Participant acknowledges that these activities are not sponsored by the University and that Participant is undertaking them at Participant's own cost, risk and responsibility. Participant agrees to release the University, its Board of Trustees, officers, agents and employees from any and all claims arising out of or in any way connected with such independent travel or extracurricular activities, including, but not limited to any transportation or travel to or from such activities.

Participant acknowledges that the University's insurance does not cover automobile liability or damage in conjunction with the use of personal automobiles, even if such use is for travel to and from the Activity. If Participant will be driving a personal automobile in conjunction with the Activity, Participant certifies that Participant has adequate auto insurance coverage, including liability coverage for injury or property damage and damage to the personal vehicle, to cover the expense of any accident or injury resulting from the use of Participant's personal vehicle in conjunction with the Activity, and understands that Participant is responsible for any cost, including deductibles, in any way resulting from the use of a personal vehicle.
